No Uranium in Treaty Territory

Hello,

I just wanted to submit a comment to say that I urge you to say no to the Dewey Burdock Uranium Aquifer Mining. Our future generations are depending on us. I urge you to stand up for those who can't stand up for themselves, folks without access to a computer, car, or phone to submit comments, especially children.

We need to stand up against this devastation. Uranium mining is not the way to go because Pine Ridge Reservation Oglala Sioux Tribe is being contaminated via aquifers under our home and down White River. Crow Butte Uranium is not trying to clean up anything because they are not responsible for any damages outside their mining area. We need the EPA to do their job, and protect people from contamination.

Thank you,
